

**URGENT ALERT FROM POSCO PRATIRODH SANGRAM SAMITI (PPSS) - 6TH MAY 2013**

Dear Friends,

We are shocked to find that without giving any importance to the demands raised by various groups and forces on the situation prevailing in our area, the police have initiated today that is on 6<sup>th</sup> May 2013 work for constructing a trench in a clandestine way which would connect the proposed POSCO project to Govindapur village . This might help the striking forces to unleash a new phase of terror-our villagers apprehend.

The police have already felled more than 600 trees in Gobindpur village without respecting the verdict of National Green Tribunal (NGT). The Odisha government is as good as dead and the dictates of the company is ruling supreme in Jagatsinghpur district. The District Collector and the Superintendent of Police (S.P) are behaving in a manner as if they are accountable to the company and their contractors.

At this juncture, we urge you to call / send fax to the following authorities immediately. Any kind of support and co-operation to sustain our democratic movement is the call of the hour now.

Kindly forward this mail widely.

Hoping for Solidarity.
