

Dear Readers,

Tomorrow is today's dream. Dreamy dawn shall rise, that we hope. Still there are lots of unseen bends with the march of time. sometimes we face darkness or dawn. Economic Recess is such a burning fact that crushes the commons. Even now we walk through the tunnel of darkness across the globe. We don't know how far that illuminated dawn is our present scenario-2009.

We are in front of a blank canvas of the coming new year – 2010. lots of colour of joy may be there, may be not. We hope to encounter the problems and diversities with greater sense of perception and kindness.

With mournful heart in silence we remember one of our family member **KAPIL DEV SINGH**, Still the last of his departure he was with us, we lost him on dt. 4th October 2009. May his soul seek heaven. Though we believe the man is not mead for death. A man can be destroyed but not defeated. The soul of that great personality gives impetuous to our minds. The soul of that great personality gives impetuous to our minds. that great soul dwells in the house of tomorrow, which we cannot visit, not even in our dreams.

Still "**DISHA**" try to hold the baton of relay of work for distressed children. Hundreds of children are there and we have very little power to pull the huge responsibility. We acknowledge & give respect to all those who extended their hands to fulfil this mammoth task. Especially we are grateful to '**SOLIDARITE**' whose gracious support has been able to bear the torch till today.

We humbly appeal to all the sponsors who extended their generous hands to help the children who suffered a lot at the time of recess. **DISHA** will not be able to fight the furious battle alone.

Our wishes

Are to touch with our fingers the naked body of our dream; to unfold good soul; like a lotus of countless petals; to turn our face to the sun of peace; to erase the shadow of terror. Let good soul walk along all paths humanity.

**ALL THOUGHTS, ALL DESIRES. ALL EXPECTATIONS
ARE BORN AND SHARE WITH JOY AND FRIENDSHIP
THAT IS UNACCLAMED**

I, myself believe this and wish you the birth of every child reminds us God is not disappointed with man Blessed is the womb of every women who bear "God's" imagine in her child on the occasion of **OM Divya Shabd** taking flesh in our hearts and lives again may our hearts lean with joy to proclaim the revealed Truth.

That

Hope the candles glow with Gods grace and sound of gods blessing.

Hope the celebration Radiate God's spirit making everything merry and fill your heart with cheer of happiness to remain with you thorout the coming year and remind you of God & his love for you.
