In Paris today, Dr Vandana Shiva with [#Youth4Climate](#) activists and [Greta Thunberg](#) [#FridaysforFuture](#)

"The Earth is for all beings today and tomorrow.

Together as diverse species and diverse cultures and through poison free organic food and farming, which provide climate solutions and rejuvenate biodiversity, we have the creative power to stop the sixth mass extinction and climate catastrophe. By joining hands, whoever we are, wherever we are, we must create "ever expanding, ne... [See More](#)
